BIHAR BHUJAL VIKAS MISSION

Ref. No. ....

Patna / Date .....

**Subject: - Request for Consultants from Bihar Vikas Mission for Jal-Jeevan-Hariyali Abhiyan.**

You may be aware that the State Government has launched an ambitious programme called Jal-Jeevan-Hariyali Abhiyan. The overall budget for this programme is Rs. 24000 Crores. Of which, this Department's budget is Rs. 13000 Crores. The programme has to be implemented over a period of three years.

Given this huge responsibility, this Department requires certain consultants to enable itself to deliver the above programme in an effective manner. The BVM has earlier deputed four consultants with us who are being used gainfully by us.

However, in the light of this new responsibility, we need few more consultants within the aegis of *Bihar Bhujal Vikas Mission*, a Society under this Department. The Consultants that we need are following:-

Sl. No.	Post	No.	Requirement
1	Consultant (HR)	1	For imparting professional training to the engineers and other staff.
2	Environmental Consultants	2	For guiding the engineers on environment and climate change. Vetting the large projects from environmental point of view.
3	Procurement Consultant	1	For providing expertise in procuring goods and services.
4	Legal consultants	2	For drafting/vetting agreements with firms and contractors.
5	Software Programmer	2	We need <i>high end</i> Software Programmers for developing Software for monitoring the schemes under JJH Abhiyan.

I shall be grateful if the Bihar Vikas Mission can provide us the above Consultants so as to empower this Department to meet the huge challenge.

Yours Sincerely

Sd./-

Subject: Request for Consultants from Bihar Vikas Mission for Jeevan Jyoti Abhiyan.

You may be aware that the State Government has launched an ambitious programme called Jeevan Jyoti Abhiyan. The overall budget for this programme is Rs. 34000 Crores. Of which, the Department's budget is Rs. 13000 Crores. The programme has to be implemented over a period of three years.

Given this high responsibility, this Department requires certain consultants to enable itself to deliver the above programme in an effective manner. The MVM has earlier deposited four consultants with a contract being used satisfactorily by us.

However, in the light of this new responsibility, we need few more consultants within the ambit of Bihar Vikas Mission, a Society under this Department. The Consultants that we need are following:

Sl. No.	Post	Responsibilities
1	Consultant (HDL)	For imparting professional training to the engineers and other staff.
2	Environmental Consultants	For studying the impact of government and private projects, taking the least possible harm environmental point of view.
3	Procurement Consultant	For providing expert advice regarding goods and services.
4	Legal consultants	For providing legal assistance to the Deptt. and employees.
5	Software Programmer	For providing technical assistance for developing software for monitoring and evaluation under Jeevan Jyoti Abhiyan.

I shall be grateful if the Bihar Vikas Mission can provide us the above Consultants so as to empower this Department to meet the huge challenge.

Yours sincerely  
K.K. Pathak
